1. ARCAM RCUBE
£500, arcam.co.uk

The rCube redefines iPod docks, with dynamic, detailed sound and cunning technology.

2. GENEVASOUND XL
£1,600, genevalab.com

The iPod dock you can't ignore – with its striking piano-lacquer finish, mighty dimensions and 600W of sound, it will fill the largest of rooms.

3. EPOZ AKTIMATE MAXI
£600, aktimate.com

The Maxi isn't one unit, but two separate speakers with a dock in one, delivering a meaty iPod sound.

4. LOGITECH S715i
£150, logitech.co.uk

Looking for a dock to use in the garden – or on the beach? The S715i has an eight-hour rechargeable battery – and a big sound for its size too.

5. B&W ZEPPELIN MINI
£300, bowers-wilkins.co.uk

Little brother of the Zeppelin, beautifully built, neat features – such as a handy USB input – and superb sound.
