FIRST PRIZE FROM EPOZ GOES TO PERTH

For the past three months (early 2007) Australia's Audio & Video Lifestyle has been conducting a reader survey. The purpose of that survey has been to find ways to improve the magazine and provide the preferred content Australian readers are seeking.

At Epoz, we support the magazine wholeheartedly as it is undoubtedly one of the best in the country. We were therefore very happy to sponsor the recent reader survey by providing a prize for the winner of a draw from all the returns submitted. The prize was a pair of Epos ELS 303 loudspeakers along with a Creek EVO integrated amplifier and CD player.

We can confirm that the winner was Bruce Leong from Wattle Grove in Western Australia. To Bruce we say, congratulations - and keep reading the magazine!
