

June 2010

Cedia 2010 is taking place in Melbourne this year from June 23-25.

Epoz has exhibited at this trade show for the past few years and this year's exhibit will feature a number of new releases from both Creek and Epos.

The new \$13,000 Epos flagship Encore 50 speaker will take centre stage

Both the AktiMate Maxi and AktiMate Mini will be on display with the Maxi being the main music source for the duration of the show.

Epoz is to be found at Stand No.51- the show is being held at the Melbourne Exhibition Centre.
